15th IMAGE AND RESEARCH CONFERENCE

Girona. 22 - 23 Novembre 2018

Guidelines for Participation in the Conference Papers

REGISTRATION

In order to present a paper, its the author or authors of the paper must have registered for the Conference.

If this requirement is not met by 26th October 2018, which is the deadline established for registration for the Conference, the Conference Organisation will not allow the presentation or publication of the paper

CONTENT

Everybody can present a paper about any subject related with the Conference contents, if accepted by organizers. The paper shall include a methodological or theoretical thought on the basis of a research or a concrete experience. The paper shouldn't be just a description of the work. In that case, the paper should be published in the Tribune of Experiences.

PUBLIC PRESENTATION

The Conference Organisation reserves the right to limit the public presentation of papers to those which are most closely in line with the content of the Conference or which have a more innovative component.

The Conference organizers will decide how papers will be presented, and the lenght of the presentations.

ACCEPTANCE

The proposal should be presented with a template that can be downloaded from the Conference website. A committee of experts will

appraise the proposals which are received and will notify individually each admission or rejection. The committee of experts may also decide whether a proposed paper will be included in the Tribune of Experiences. The Committee's decisions will be final.
