# Flowers and Kabbalah

Exhibition of Paintings by Blanca Rosa Dominguez, a transpersonal psychologist. Founder and director of the *Centro Cultural y de Desarrollo Humano, SC*. Member of the Board of directors of the Kabbalah Society International, and a disciple of Z'ev ben Shimon Halevi since 1981.

The intention of this exhibition is to present a series of paintings and illustrations with a brief explanation aiming to convey the fundamental principles of the Kabbalah. These images represent a collective and ancestral knowledge, a message which tries to go beyond the material, a message coming from the soul and the spirit.
