# Activities Girona Viewpoints

This act is subsidised by the Public Employment Service of Catalonia and the ESF within the framework of the Local Development Support Programs.

The project has been 65% cofinanced by the European Regional Development Fund (ERDF) through the Interreg V-A Spain-France-Andorra programme (POCTEFA 2014-2020). POCTEFA aims to reinforce the economic and social integration of the French-Spanish-Andorran border. Its support is focused on developing economic, social and environmental cross-border activities through joint strategies favouring sustainable territorial development.

# Activities

Enjoy the scenery!

With these activities, you'll find out how you can do it.

Take a photo from each of the viewpoints and hashtag them with #MiradorsdeGirona.

The GPS coordinates below the viewpoints' names will tell you where they are.

## 1. Cathedral window, Camps de Can Colomer

(at the top of Carrer de Sant Cristòfor, take the Camí dels Àngels)

Take a seat and listen to the birdsong. How many different birds can you hear?

## 2. Chimneys of the Calvary water tunnel

Listen to the sounds around you. Write a list of the sounds you can hear. If you like, record them with an app, like **NoiseCapture**, describe them and share them on the social media. You can use the hashtags: **#Girona\_silenci** and **#Girona\_sorolls**

## 3. O Mountain

Aromatic plants grow on this hill. Smell them and make a drawing of one of them.

## 4. Tower of Sant Domènec

You're at a 14th century tower. Draw a circle round the emotions you feel:

nostalgia

amusement

mystery

happiness

tiredness

calm

sadness

risk

darkness

## 5. Prat de les Dones Descalces

(at the crossroads of Passeig del General Peralta with Carrer de la Muralla)

About 40 million years ago, the place where you're standing used to be sea and sea creatures lived in it. When they died, they were buried in the sand and became fossils.

Take a piece of paper. Put it on top of a stone with fossils and paint over the surface so that the stone's relief is marked on the paper.

## 6. Powder Magazine

The Powder Magazine was built in 1756 to store  in a place at a safe distance from the city that was still easy to get to.

## 7. Tower of Alphonse XII

Draw the outline of the mountains in front of you. Write the names of those you know.

## 8. Fort of the Capuchins

Look for the following:

ditch (a wide trench dug around the fort)

guardhouse (a small structure for protecting a soldier)

powder magazine
